

## Concurrent Enrollment Students: How to Check Your Student Tuition and Fees

Congratulations on registering for a Concurrent Enrollment class at an ACC campus. Generally, CE students' tuition will be funded through their high school, but some students will choose to take classes on their own. You will want to follow these steps if you are:

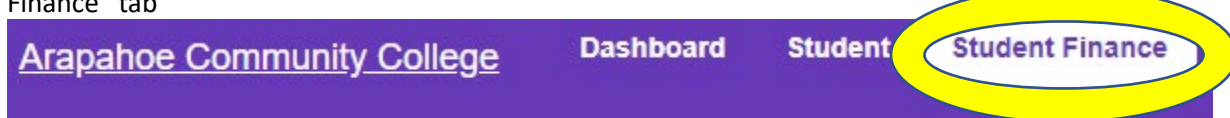

- A self-pay student who plans to pay your own tuition and fees.
- A student whose high school will pay your tuition, but you will be responsible for the fees.

### Step 1:

Connect with your High School Counselor to learn more about what tuition and fees will be covered by your district on your ACC bill.

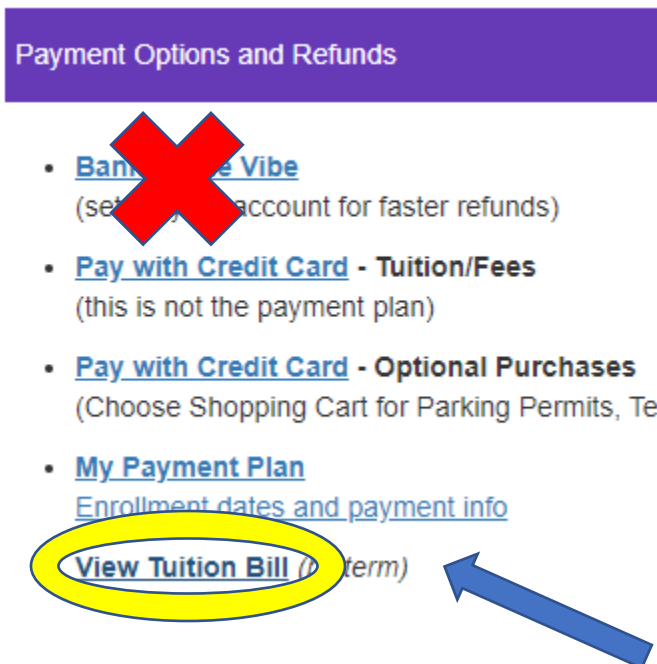

### Step 2:

After you have registered, login to your [myACC account](#) (using your ACC S# and password) and go to the "Student Finance" tab

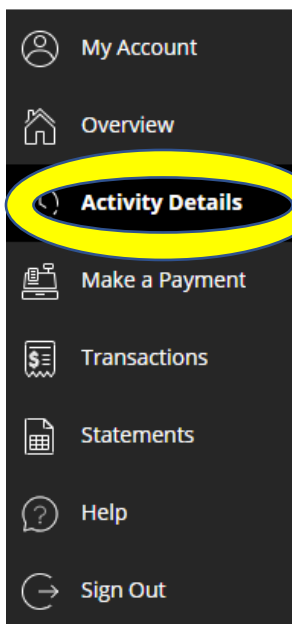

### Step 3:

On the left side, locate the "Payment Options & Refunds" box and select "View Tuition Bill" \*Please note that CE students are not eligible for BankMobile.

## Step 4:

Select “Activity Details” to find an itemized list of what your tuition and fees are. **MOST HIGH SCHOOLS WILL COVER YOUR TUITION BUT NOT FEES. PLEASE CONSULT WITH YOUR HIGH SCHOOL.**

## Step 5:

**HS STUDENTS FUNDED BY YOUR HIGH SCHOOL:** If you are a CE high school student whose high school is paying your tuition, **PLEASE ONLY PAY YOUR FEES AFTER CONSULTING WITH YOUR HIGH SCHOOL.** You can pay your fees by calling the Cashier’s Office at 303-797-5638.

**HS STUDENTS FUNDED BY SELF-PAY:** If you are a CE high school student who is paying your tuition and fees on your own, you can pay your fees online or by calling the Cashier’s Office at 303-797-5638.
